Fantastic location.

Sought after school zone.

Set back from St Georges Road - number 2 is the middle of 3 townhouses on the block.

Step inside and the central staircase separates the living room from the separate laundry and ground floor powder room. The adjoining kitchen and meals area opens to the courtyard. The lock-up garage comes with carpet tiles if you wanted to use this large space for an office and offers plenty of storage space regardless.

Upstairs all three bedrooms are enormous with built in robes. The master bedroom comes with full ensuite bathroom. The main bathroom comes with spa bath.
